the first book that teaches the basic spanish words to the little ones without looking like a school book this book teaches children the same things as a grammar book but through fun stories to listen to this is because for a child there s no better way to learn a language than by listening to stories think about it stories are engaging compelling keep the children s attention high and are able to teach important things without the children even noticing it conversely grammar books those filled with infinite lists of words verbs idioms and so on

tend to make children run away they're so bored imagine that stories are the pole of the magnet that attracts children while grammar books are the opposite one that pushes them away so what will children learn by listening to these short fun and relaxing stories let me break this down for you letters of the alphabet numbers the days of the week months of the year objects in the house clothing food emotions animals children won't even notice they're learning all of that let them become bilingual effortlessly because once they grow up it becomes much more difficult

sometimes it seems we just can't get what we want circumstances thwart our best laid plans we struggle to live a heartfelt life worst of all says eldredge the modern church mistakenly teaches its people to kill desire calling it sin and replace it with duty or obligation calling it sanctification as a result at best christians tend to live safe boring lives of resignation at worst their desire eventually breaks out in destructive ways such as substance abuse affairs and pornography addictions in the journey of desire eldredge invites readers to rediscover god given desire and to search again for the life they once dreamed of
