we find ourselves in an hour that requires great spiritual preparation for the unique dynamics that are still ahead for the church israel and the world as it is and will be i am thankful for any and every resource that gives courage to godly men and women to see where the world is going and embrace the unique role that the church serves this generation therefore i am thankful for richard tow and his timely service to the body of christ in laboring to produce this important book a generation of believers young and old are searching for biblical truth with depth on the subject of the return of jesus because of the recent escalation of trouble and darkness i highly recommend that richard s book be a priority for any searching for a clearer sense of the why behind the what of the timing of the tribulation that precedes the lord s return david sliker president international house of prayer university my friend and fellow minister for many years richard tow has written a must read book if you are interested in eschatology his comprehensive scholarly non dogmatic research of scripture and the positions held on the tribulation and the rapture of the church leave it up to the individual reader to decide for him or herself which view to espouse rapture or tribulation is the kindest most thorough book i have read on the topic dr loren houlberg professor author and regional pastor for the foursquare church

god tells us not to be deceived about the timing of our being caught up to meet jesus in the air an event christians refer to as the rapture he would not have said that unless there was going to be an avalanche of false teaching with regard to the timing of the rapture in the sequence of end time events diligently studying pertinent scriptures in god s word is the only way one can be free of deception and be spiritually prepared for the times that may befall us this book helps the reader to deeply study the word of god to see the truth chapter after chapter leads to the same conclusion the rapture will be a post tribulation event

v 49 epic and saga

time is running out the apostle john on the island of patmos was provided a guided tour of heaven by the lord jesus christ and shown what would become of every human on earth during two major events the rapture and the tribulation as published in the holy bible book of revelation knowledge is power and the text within this book will enable you to study what john was shown so you are fully aware of your options for your afterlife before it is too late today s world tends to think that they are in total control of their own destinations both on earth and where they believe they will spend their eternal afterlife the holy bible specifically states in the book of revelation that there are only two choices for a human once they depart from this earth those two choices are either heaven or hell by way of either the rapture everyone sleeping in their grave or alive on earth who has their salvation will be taken up in the sky by jesus christ who will deliver them to heaven or the tribulation seven years of hell on earth immediately following

the rapture for those who are left behind after the rapture it is important to realize that just because someone does not believe in something it doesn't make it untrue this is the case with many people from every country on the earth who practices and worships the gods of every religion available they believe that there are many ways to earn their way into the heaven that the holy bible describes it is sad that many people who share these beliefs will actually be left behind on the day of the rapture those left behind will be forced to go through the tribulation period hopefully gaining their salvation and eternal place in heaven if they are able to overcome the temptation of taking the mark of the beast god the creator of earth and everyone that he created on it is the sole decision maker as to who will be granted access into his kingdom of heaven for eternity there is no other way you need to ensure that your beliefs align with god's word after reading this book you will be 100 percent certain if you will be raptured or left behind

As recognized, adventure as competently as experience not quite lesson, amusement, as with ease as concurrence can be gotten by just checking out a books **Rapture Or Tribulation By Susan Davis** along with it is not directly done, you could recognize even more regarding this life, more or less the world.
